2.4. Exam Timetable

- (a) This is found in [Annex A](#). The duration of each examination paper includes the time to read the questions and write and/or shade your answers.
- (b) SEAB may update instructions for the examinations where appropriate. You will be informed of these updates through your school.

3. WITHDRAWAL FROM PSLE

- 3.1 If you withdraw from the PSLE, you will not be issued any result slip or examination certificate.
- 3.2 There is no refund of the examination fees, if you have paid them.

4. SITTING FOR EXAMINATION

- 4.1 It is compulsory for you to sit for all papers of your examination (i.e. Oral, Listening Comprehension, and Written papers).
- 4.2 Multiple Choice Questions (MCQs)
 - a) You must shade your answers on **the Optical Answer Sheet (OAS)** as **only the OAS will be submitted for marking**. You should use a **2B pencil to shade your answers. Shade the oval completely and firmly** so that your answers can be clearly read.

- b) You should use a soft eraser if you wish to change your answers. Erase the shaded answer completely before shading the new oval.
- c) You must not crumple, fold, wet, damage or make any unnecessary markings on any part of the OAS.

4.3 Questions that require you to write in the Answer Booklet:

- a) You should write your answers clearly in **black (recommended) or dark blue ballpoint pen** and draw diagrams with a **2B pencil** as this will provide a good display of your answers in the Answer Booklets.
- b) It is recommended to use a **0.5mm tip** ballpoint pen as it reduces possible smudging. Do ensure that your writing is clear.
- c) Unless otherwise instructed, you **must not write** your answers in pencil as the responses may be too faint for marking.
- d) Do not use an erasable ink pen.
- e) You must not write your answers in shaded figures or table headers as this may affect the legibility of your answers.
- f) Sufficient space is provided for you to answer each question. Should you run out of space, you may write your answer on any blank space in the Answer Booklet that is within the margins of the page. Label your answer clearly to help the markers identify the question you are answering.

- g) Do not use correction fluid or tape as it may affect the readability of your answers. There were instances where candidates did not complete their answers after the correction fluid or tape had been applied. Correction fluid or tape may also damage the answer script (e.g. covering other parts of the answers or causing pages to be glued together).
- h) Do not use a highlighter to draw attention to your answers as it may make it harder for your answers to be read by the markers.

5. WRITTEN EXAMINATION

5.1 You will be issued a personalised barcode label by the invigilator. Please paste it on the allocated space of the Question / Answer Booklet or Answer Sheet's cover page. Please check your details on the label.

5.2 The invigilator will inform you if you are required to write your index number on the cover page of the Question / Answer Booklets.

5.3 You must read and follow the instructions printed on

each Question Booklet and Answer Booklet / Sheet carefully.

5.4 For Composition papers, you must:

- a) Write your answers on the lined or boxed pages of your composition Answer Booklet.

5.5 For English Language (EL) / Foundation English Paper 1, you must write your answers on the allocated pages for Situational Writing and Continuous Writing.

These arrangements are not intended to give a candidate an advantage over other candidates in the same examination.
- 11.2 The application deadline is February of the examination year. Your school would have assisted you in applying AA for the PSLE for any existing condition that you may have. You will receive your AA outcome letter through your school. If you have not received the letter two weeks before the examination, please approach your school for assistance.

A student's progression to secondary education will not be affected by the annotation, as school postings do not take such annotations into account.

There are three types of annotation symbols. The explanations for the symbols are indicated on the back of the result slip and examination certificate.

a) Exemption Symbol (#)

'The candidate was exempted from satisfying the full range of assessment objectives in this subject.'

b) Access Arrangement Symbol (+)

14.2 A review of a candidate's results is aimed at verifying if the results are correct. It includes remarking and a thorough review of the accuracy of mark entries for the subject paper(s) by an independent senior marker who is different

from the original marker. SEAB does not release marked scripts to candidates.

- 14.3 You must submit your appeal application and make payment to your school **within five working days** from the day of results release, if you wish for SEAB to review your examination results. Late applications after the deadline will not be accepted.

15. OWNERSHIP OF EXAMINATION MATERIALS

- 15.1 The national examination materials (e.g. examination question papers and answer scripts) are copyrighted and **must not be disseminated, published, reproduced in any other form or posted online**, without prior permission from SEAB. In such cases, the candidate must return the required documents to SEAB without delay. A failure to comply may result in legal proceedings against you to recover such documents and the associated costs.

- 15.3 All materials submitted for examination purposes (e.g. examination scripts) are deemed as examination materials and their rights shall be assigned to SEAB.
- 15.4 By registering for the examinations offered by SEAB, you shall assign your rights in the examination materials to SEAB, and acknowledge that SEAB may collect, use and disclose your data for the purpose of carrying out all functions and duties of SEAB under the SEAB Act 2003.
